CHARLES HALLET & CO.

UPHOLSTERERS,
CABINET MAKERS,
INTERIOR DECORATORS,
CARPET CLEANERS.

The difference between our work and some others' work is the difference between our thirty-two years' experience and their inexperience; between correct results and incorrect results.

We make new furniture to order and attend to the renovating of old - we make the restoring of antiques a speciality.

We take up, clean and relay carpets and Turkish rugs with the greatest care, packing them moth proof if so desired.

We pack all kinds of household goods—china and bric-a'-brac for storage or transportation.

In fact we do everything in the way of making new, or making old look like new.

We make to order and remake mattresses, pillows, bolsters and bedding of every kind.

It is no trouble for us to furnish estimates or any information desired, and we shall appreciate it if when needing any work done in our line you consult us about it. We believe it is for our interest to do our work in a thorough manner, so all our efforts are directed to that end.

Telephone us, 8•4 Tremont, or send us a postal and we will wait upon you.

our Rugs and Carpets

ARE VALUABLE PROPERTY AND REQUIRE EXPERT AND SCIENTIFIC TREATMENT.

We take pleasure in reminding you of the fact that we are expert renovators of Oriental Rugs, Portieres, Embroideries, Antique Tapestries and Indian Shawls.

Our seven years' experience, together with the generous patronage which we have enjoyed, is a sufficient guarantee of the excellence of our work.

We clean, repair, pack moth-proof and store rugs.

Our Oriental process is superior to naphtha cleaning and costs less. It restores colors.

We beg to state that it is no trouble for us to call and examine your rugs at your convenience, and we solicit the privilege of doing so.

Respectfully yours,

Armenian Rug & Carpet Renovating Works,

Emerson Pianos..

Are not the highest in price, but the best in quality that money, brains and experience can produce.

They are substantial Pianos for substantial people, and we believe there is more Piano value to the dollar in an instrument of this make than in any other. We are sustained in our judgment by more than 70,000 satisfied owners. The name EMERSON is as well known on a Western farm as in New York City or Boston, and it is no wonder that the average piano buyer thinks Emerson as soon as he thinks Piano.

Easy Terms and a liberal allowance for your old piano.
Piano delivered free at your home.

Building Color AT PAINE'S

The best expert advice today says: Choose your floor rug first as the foundation of your color scheme. Secondly, choose draperies and portieres.

We say nothing of the walls of the room. They are merely a background and of little account. Colors and tints of every shade can be always had for walls, but with rugs and draperies you are limited to what is already made. Be sure then to choose these latter first and do not let your entire furnishing be based on a wall paper which will fade in two years.

We ask the privilege(regardless of any expectation of a sale) of showing you the following goods in full rolls at your house. A postal card will bring them:

No. 1. New French and English Cretons in festoon effects, old Chintz reproductions and dainty stripes—chaste and cheerful for bed-room curtains, bed spreads, and canopies, price 90 cents per yard.

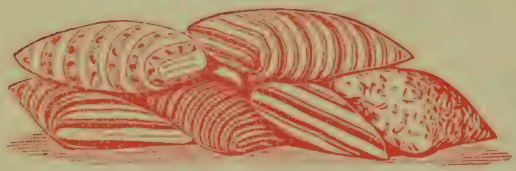

No. 2. Veronese velour in handsome shades of cerise and deep green, a perfect material for library portieres, 50 inches wide, price $4.25 per yard.

No. 3. A new quality of silk damask, Louis XVI design, in solid colors of celestial blue, deep red, nile, old pink, rich rose, etc., especially designed for reception-room curtains, price $4.00 per yard.

FINE BEDDING.

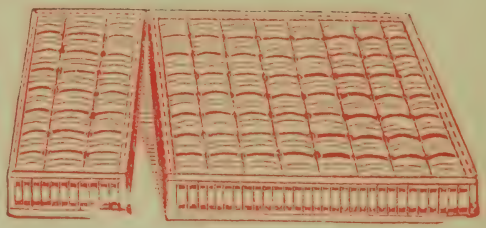

FEATHERS.

How have you settled the Feather problem? Will you breathe the air for eight hours every night with your nose close to low-quality, badly-cured, ill-smelling feathers? Or will you pay the slight extra cost and secure the genuine live goose feathers, thoroughly cured and absolutely odorless?

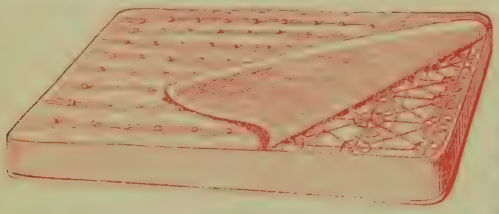

We invite the public to take a trial trip on a pair of Paine pillows. We have facilities for securing the highest grade of feathers brought to Boston.

CURLED HAIR MATTRESSES.

Live South American horse hair is the very cheapest of all fillings for a mattress that is expected to wear for any length of time. You can make over such a mattress half a dozen times and it is always luxurious to the tired body. All our best mattresses now have the famous French imperial edge.

Don't think of ordering a mattress until you have seen our new styles and new Art Tickings.

SPRING BEDS.

We carry every leading spring bed in the market. We offer customers a side-by-side choice of many patterns, with the advantages of full critical inspection.

We invented the Paine, laid-hair, box-spring mattress. The processes are distinctly our own. Customers come to us, not alone because of low prices and finer grades, but because we insist upon scrupulous accuracy on the part of our salesmen in their representations.

You have not sampled every kind of sleep till you have tried this ingenious creation. It is the experience of a lifetime.

Card Etiquette.

The significance of a card is always considered by well-bred men and women and its fitness to the occasion is an expression of its owner's individuality.

A written name should never be used, unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible, and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the oldest unmarried daughter, she is appended as Miss Smith—otherwise her full name is given with the prefix of Miss.

When two daughters enter society together, it is proper for them to be mentioned upon their mother's card together, thus,

MRS. JAMES SMITH.
THE MISSES SMITH.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person..

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

The custom is for a lady about to be married, to enclose her card in an unsealed envelope which the servant should deliver, the lady not leaving the carriage.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. They are engraved in plain script, no flourishes of any kind. "Mr." should be prefixed to the name.

When an entertainment is given by a gentleman, each guest should send a card within a week, or call.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an At Home card.

A visiting card should always be left when attending an "At Home."

An invitation requesting your presence, requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS.

When attendance to a church wedding is impossible, cards must be sent in an envelope directed to those from whom the invitation comes.

If present at the church, it is polite to send a card or cards to those who invite.

CARD ETIQUETTE IN WASHINGTON.

Questions are asked concerning the requirements that the official element demands in Washington.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

His receptions are open to all.

Upon entrance you give your name to an usher, and are announced. You are then introduced to the President and members of the Presidential family

It is proper to leave your card before your departure from the "White House."

Any invitation from the President is considered as a command.

To whom the second place in social precedence belongs, is still unsettled.

The position is claimed for both the Chief Justice, and the Vice-President.

There is a question as to who should pay the first visit—the Cabinet officer or the Senator.

Many yield this point to the Senator. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

If the families of Senators do not send their cards first their presence in the city may be unknown, and complications arise.

In Washington the influence of official life is marked, and felt through all circles.

CARDS FOR BALLS.

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

After dinner cards, cards after any hospitality, and cards of condolence, if possible, should be left in person.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions, of course, require exceptional cards; for such there can be no fixed rules.

INFANTS' CARDS.

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgement is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

41 WEST STREET.

U. S. WEATHER BUREAU.

Explanation of Cautionary and Storm Signals.

A RED FLAG with a WHITE CENTRE, displayed at stations on the Great Lakes, indicates that the winds expected will not be so severe but well-founded sea-worthy vessels can meet them without danger.

A RED FLAG with a BLACK CENTRE, either on the Lakes or seaboard, indicates that the storm is expected to be severe.

The pennants displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light will indicate easterly winds and a white light above a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests and are displayed at the principal ports of the Great Lakes and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154, P. O. Building, open to public from 9 A. M. to 4 P. M.; visitors cordially invited. Telephone, No. 491 Main; service 9 A. M. to 5 P. M. and 8 to 10 P. M.

J. W. SMITH, *Forecast Official*
In charge Boston Station.

HURRICANE WARNINGS.

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts), the Weather Bureau has adopted a special signal called the hurricane signal, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used) This signal will be displayed at all Weather Bureau offices and wind signal display stations on the Atlantic and Gulf coasts and the Great Lakes and also at numerous other points at sea and lake ports and along the coasts mentioned.

WILLIS L. MOORE,
Chief of Weather Bureau.

September 10, 1901.

DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box—pull the hook all the way down *once* and let go.

Wait *one full minute* for the sound of the bells.

Listen for the working of the machinery in box. If you do not hear it, pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there, but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door; *when open*, pull hook as in other boxes,

After giving the alarm remain a while, *if possible*, by the box, so as to direct the firemen to the fire.

SECOND ALARMS.—No person will give alarms for the same fire (after the first alarm has been given), *without an order from the Chief*, or the officer in command, and the person so ordered will be *sure* to go to the *same box* from which the first alarm was given, and report same to the Chief. *If, however*, a fire breaks out while another is burning, in a different section of the city, a *second* alarm can be given by a Police Officer without waiting for an order from a Department Official.

Caution to Persons Holding Signal Keys.

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be *reasonably* sure there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.

If you remove from your house or place of business, return the key to the Fire Commissioner's Office without delay.

Sub Stations marked with an asterisk (*) are International Money Order Offices.

Domestic Mail Matter intended for delivery through the Stations, should bear the name of the Station, with the name of the State (Mass.) added.

Foreign Mail Matter intended for delivery through the Stations should bear the name of the Stations and the words "Boston, Mass."

Letters can be registered at any of the above Stations.

Avoid addressing letters "Boston Highlands," "Highlands," "B. H. District," "City," or Old or New Wards, Boston; but as above.

Never send money or any other article of value through the mail, except either by means of a money order or in a registered letter. All classes of mail matter can be registered.

It is desirable that letters be addresseed to street and number when known, and by providing letter boxes at places of business and private residences, much delay in the delivery of mail matter may be saved.

To insure a letter being forwarded in the mails, it must have not less than one full rate in postage stamps affixed.

All complaints should be made in writing, and envelopes of mis sent or delayed letters should be sent to the Postmaster.
